## Annual Quality Assurance Report [AQAR]

Submitted  
To  
NAAC

2014–2015

### COLLEGE EMBLEM

**Lord Krishna** with flute in hand signifies that the college is established and administered by Yadava community for whom Shri Krishna is the principal deity. **Kuthuvilakku** symbolically stands for enlightenment – dispelling ignorance and enriching knowledge. **Cow( Kamadhenu)** connotes endowment of wealth especially wealth of knowledge and wisdom. The **Open Book** in the emblem signifies the importance of formal education. Thus the college is the spring of knowledge and wisdom that enriches the downtrodden society. The **Tower** in the middle of the emblem is reflective of the college which is a temple of knowledge. The **Motto** written at the bottom - **ARIVEA SELVAM** – means wisdom is wealth

**YEAR OF REPORT**

**2014-2015**

**SECTION A**

**The plan of Action chalked out by the IQAC in the beginning of the year towards Quality Enhancement:**

- To prepare for autonomy extension and to prepare the visit of the review committee to be appointed by the UGC
- To arrange for graduation day and provide degrees certificates for nearly 900 graduates
- To conduct orientation programme for newly recruited staff and organize micro-teaching
- To create an awareness on the career opportunities and self-improvement techniques among the students
- To encourage more number of research publication in peer-reviewed journals
- To adopt and include nearby villages for the outreach programmes under DST assistance
- To conduct extension activities as an integral part of community services
- To modernize the departments with the latest technology available
- To enrich students' participation in inter and intra collegiate competitions in academic as well as cultural domains
- To enhance placement services provided to the students
- To organize study tours and industrial visits providing a live experience of the subjects taught

## SECTION B

### 1. Activities reflecting the goals and objectives of the college

- Innovative Teaching Methodology is elaborated and micro-teaching conducted during orientation for newly recruited faculty
- Mental Health program was conducted by the Counseling Unit, Virucham
- The DST funded programs took inclusiveness of the students along with farmers and self-help women groups
- Personal Hygiene and Water Hygiene programmes sponsored by NCSTC are conducted in adopted villages Veerapandi and Tiruppalai
- Community Services like awareness rallies and health camps were organized
- Imparting expert knowledge on Cattle Rearing, Banking, Green Environment and Computer and Language training were given to the inhabitants of the adopted villages
- Hi-fi Smart Classroom for the Department of English, Computer lab for Mathematics were established and laptops and CD projectors for Zoology, Commerce, History and Tamil were installed.
- Students were motivated to present papers on recent research areas in various conferences
- Leading companies visited our college for Campus Recruitment.
- NET/SET coaching was organized for the aspirants of Tamil, Commerce and Zoology
- Study tours and industrial visits were carried out by the departments of Tamil, English, History, Zoology, Physics and Commerce.
- Grant received from UGC

### AUTONOMY EXTENSION

One of the best things to have happened this year is the extension of autonomous status for five more years. The autonomous review committee appointed by UGC, visited all the departments, met the students, members of the faculty, aided and unaided, and non teaching staff were extremely happy about the working climate of the college and hence have recommended the continuation of the autonomous status.

**2. New Academic Programmes Initiated: Nil**

**3. Innovations in Curricular Design and Transaction:**

Curriculum is designed in such a way that the students are provided with opportunities to explore and research and foster their creativity and skills.

Department	UG/PG	Paper Title	Remarks
English	UG	English for Enhancement	Under this title, vocabulary and composition are taught. This makes the students understand the beauty of vocabulary and the quality of expressing much in few words. This also provides them to enjoy word-building through Prefix and Suffix and learn the variations in British and American usage.
Physics	UG	Physics of Sports	To make the students understand physics behind sports activities
		Home Appliances	To facilitate the students to understand the concepts of physics in home appliances
		MS Office	To help the students understand MS office word, gain knowledge about Excel basics and develop skills in power point
		Nanoscience	To provide opportunities students to understand nanoscience and motivate them towards recent research fields in nanotechnology
		Bio Medical Instrumentation	To make the students understand human physiology and learn the advances in biomedical instrumentations
	PG	Information Technology	To make students understand the recent developments in communication systems, software communication equipments etc
		Crystal Growth and Thin film	To be able to understand the crystal growth techniques, thin film preparation methods and their technological applications towards research activities

Department	UG/PG	Paper Title	Remarks
Zoology	UG	Economic Zoology Human Reproduction Conception and Birth Control, Ornamental Fish Culture, Food and Nutrition	The role of self study papers is to encourage student to learn the paper personally.
	PG	Poultry Aquaculture	The role of self study papers is to encourage student to learn the paper by themselves. This will also help them in self-employment

- ❖ Innovative Projects are assigned to the final year students of Computer Science, Information Technology, Computer Applications, and Commerce.

### *III. Reforms in evaluation method :*

#### 1. Continuous Assessment.

- 30 or 25 % weightage
- Assessment made by periodical quizzes, assignments, class tests and two centralized tests in every semester
- Remedial measures undertaken by way of conducting special & improvement tests
- Tentative semester examination program is made available in the college calendar supplied to the students in the beginning of every academic year

#### 2. Semester examination is conducted during the month of November and April-May for odd and even semesters respectively.

- A squad of senior faculties is formed and its members go around and inspect all the examination halls to check whether any student is indulging in malpractice.

#### 3. Question paper setting for the semester examination is external.

- Question paper proof is subjected to scrutiny and approval of external subject experts.
- Central valuation of semester exam answer scripts is conducted during November and April-May for Odd and Even semester respectively.

- Double valuation of answer scripts is made by the course teacher as well as an external subject expert and the average of the two valuations is treated as the final mark.
- Permissible deviation of marks between first and second valuation is 15%
- The cases where the difference between the two valuations exceeds 15%, third valuation of such answer scripts is done by another external examiner and the average of the two closest marks is treated as the final mark.
- Feedback on the course teachers, covering about ten parameters and the characteristics of the semester question paper are obtained every semester and follow up steps are being taken based on the above said feedback.

*IV. Reforms in the design and security features of the mark statement certificates:*

- ✓ Mark statement design is in such a way that the complete information related to the examinations is available on it.
- ✓ Invisible security features are incorporated in the mark statement, making it impossible for the production of unauthorized and bogus mark statements.
- ✓ Hologram is affixed on the mark statement certificate, making it impossible for effecting any alteration or manipulations on the mark statement.

**தொற்றுநோய் பாதிப்பால்  
5 லட்சம் குழந்தைகள் இறப்பு**

ஊமச்சிகுளம், அக். 17–

“சாப்பிடும் முன் ஒவ்வொரு முறையும் கை கழுவுவதன் மூலம் தொற்றுநோய் பரவுவதை தடுத்து, ஆண்டிற்கு 5 லட்சம் குழந்தைகள் இறப்பதை தடுக்க முடியும்,” என, உலக கை கழுவும் நிகழ்ச்சியில் தெரிவிக்கப்பட்டது.

ஐ.நா., சபை வழிகாட்டுதல்படி உலக கை கழுவும் தினம் அக்., 15ல் கடைபிடிக்கப்படுகிறது. மதுரை யாதவர் கல்லூரி அறிவியல் மற்றும் தொழில்நுட்பத்துறை சார்பில், திருப்பாலை அரசு உயர்நிலைப் பள்ளியில் நடந்த இந்நிகழ்ச்சிக்கு முதல்வர் தனசேகரன் தலைமை வகித்தார். திட்ட அதிகாரி அழகேசன் வரவேற்றார். தலைமை ஆசிரியர் கிறிஸ்டோபர் ஜெயசீலன், பெற்றோர் ஆசிரியர் கழக தலைவர் ராஜன் உட்பட பலர் கலந்து கொண்டனர்.

முதன்மை நெறியாளர் யசோத்குமார் கூறியதாவது:  
சாப்பிடும் முன் முறையாக கை கழுவாவிட்டால் நகங்களில் மறைந்திருக்கம் அழுக்கு, கிருமிகள் உடலுக்குள் செல்கிறது. இதனால் 45 சதவீத நோய்கள் நம்மை தாக்குகின்றன. வயிற்றுபோக்கு, நிமோனியா போன்ற பாதிப்பால் ஆண்டிற்கு 5 லட்சம் குழந்தைகள் இறக்கின்றனர். சாப்பிடும் முன் கை கழுவுவதன் மூலம் இறப்பை தடுக்க முடியும்.  
சாப்பிடும் முன்னும், கழிப்பறையில் இருந்து வந்த பின்பும் அவசியம் கை கழுவ வேண்டும். கிராமப் புற குழந்தைகள், மாணவர்களிடம் இன்னும் இப்பழக்கம் வரவில்லை, என்றார்.  
ஏற்பாடுகளை ஒருங்கிணைப்பாளர்கள் அழகப்பன், பரந்தாமன் ஆகியோர் செய்திருந்தனர். நீதிராஜன் நன்றி கூறினார்.

Expressing concern over dumping of physical, chemical, biological and pathological wastes in waterbodies, Dr. Ingersol said water contamination was the prime cause of disease outbreak. "Don't think that water will be available forever. If we have to drink at least three litres of water a day, we must protect the water sources," he said.

P.S. Navaraj, Principal, Annai Fathima College, said the practice of open defecation must be put to an end.

P. Alagesan, coordinator, Internal Quality Assurance Cell, Yadava College, exhorted the students to think differently while taking part in an expo.

S. Dhanasekaran, Principal (in-charge), said Yadava College had adopted two nearby villages – Tiruppalai and Veerapandi – where awareness programmes on ecology and water were conducted in the form of folk arts.

K. Neethirajan, Dean, Academic Affairs, N. Arumuganainar, PA (General) to Collector, and N. Yasothkumar, principal investigator, Eco and WaSH Futures, spoke.

## **26. Computerization of administration and the process of admissions and Examination results, issue of certificates:**

- The administration of Yadava College is done in a modernized manner. The office is completely automated and each office staff is provided with computer. This helps in the speedy movement of office work. The office is linked with other sections and all the departments through intercoms.
- Admissions are done in a systematic way. As soon as the plus two results are declared, application forms with prospectus are issued to aspiring candidates. The selection is done through standardized process keeping in mind the presence of the college amidst rural atmosphere and the socially and economically backward and deprived people.
- The Examination section as usual functions with highly automated atmosphere. Students are enrolled with a digital code informing year of study, class, number of semesters etc. The minute detail of each and every student in his academic excellence is fed into the computer system of the exam section and hence the details of any student can be retrieved at given moment. The marks of internal evaluation are being entered through intranet which is available in each department against each student and the marks of External evaluation are being entered against each student and so the variation of marks obtained by the students could be easily derived through this method. Categorization of high, medium and low achievers is being done in each class. Remedial measures are given to low achievers to upgrade their mark in their weak subjects. This approach has yielded good result during 2014-15.
- The exam fees for all students in each class have been illustrated in the program and so the students find it easier to pay the fees in office without failure. The exam section has handled both autonomous and university regulated programmes excellently. Because of the perfection in the administration, no confusion has occurred in dealing with the different streams of student community.

- The examiners panels of the autonomous stream are drawn on the basis of seniority and expertise in the respective subject. Both internal and external valuations are being practiced to evaluate effectively. As evaluation is the vital part of any academic activity, the office has not spared any means and good attempt is made to practice it for the welfare of the students.
- The date of publication of results is fixed well in advance and results were released on that day through college web page. Degree certificates are being issued during the graduation day which is conducted every year.
