COLLEGE EMBLEM

Lord Krishna with flute in hand signifies that the college is established and administered by Yadava community for whom Shri Krishna is the principal deity. **Kuthuvilakku** symbolically stands for enlightenment – dispelling ignorance and enriching knowledge. **Cow(Kamadhenu)** connotes endowment of wealth especially wealth of knowledge and wisdom. The **Open Book** in the emblem signifies the importance of formal education. Thus the college is the spring of knowledge and wisdom that enriches the downtrodden society. The **Tower** in the middle of the emblem is reflective of the college which is a temple of knowledge. The **Motto** written at the bottom - **ARIVEA SELVAM** – means wisdom is wealth

III. Reforms in evaluation method:

1. Continuous Assessment

- 30 or 25 % weightage
- Assessment made by periodical quizzes, assignments, class tests and two centralized tests in every semester
- Remedial measures are undertaken by way of conducting special & improvement tests
- Tentative semester examination program is made available in the college calendar supplied to the students in the beginning of every academic year

2. Semester examination is conducted during the month of November and April-May for odd and even semesters respectively.

- A squad of senior faculties is formed and its members go around and inspect all the examination halls to check whether any student is indulging in malpractice.

3. Question paper setting for the semester examination is external.

- Question paper proof is subjected to scrutiny and approval of external subject experts.
- Central valuation of semester exam answer scripts is conducted during November and April-May for I and II semester respectively.
- Double valuation of answer scripts by the course teacher as well as an external subject experts and the average mark of the two valuation is treated as the final mark
- Permissible deviation of marks between first and second valuation is 15%.
- The cases where the difference between the two valuations exceeds 15%, third valuation of such answer scripts is done by another external examiner and the average of the two closest marks is treated as the final mark.
- Feedback on the course teachers, covering about ten parameters and the characteristics of the semester question paper are obtained every semester and follow up steps are being taken based on the above said feedback.

IV. Reforms in the design and security features of the mark statement certificates:

- ✓ Mark statement design is in such a way that the complete information related to the examinations is available on it.
- ✓ Invisible security features are incorporated on the mark statement, making it impossible for the production unauthorized, and bogus mark statements.
- ✓ Hologram is affixed on the mark statement certificate, making it impossible for effecting any alteration or manipulations on the mark statement.

4 தினமணி மதுரை M

வெள்ளிக்கிழமை, 17 ஜூலை,

மாணவர்கள் கணிதத்தில் ஆய்வு மேற்கொள்ள வலியுறுத்தல்

மதுரை, ஜூலை 16: மாணவர்கள் கணிதத்தில் ஆய்வுகள் மேற்கொள்ள வேண்டும் என்று யாதவர் கல்லூரியில் நடைபெற்ற கருத்தரங்கில் வலியுறுத்தப்பட்டது. மதுரை யாதவர் கல்லூரியின் கணிதத்துறை சார்பில் கருத்தரங்கம் நடைபெற்றது. இதில் கான்பூர் ஐ.ஐ.டி கணிதத்துறை பேராசிரியர் ஜி.சந்தானம் பேசியது: கணிதமும் அறிவியல் என்பதே பலருக்கு தெரிவதில்லை. கணிதத்தின் பிரமாண்டம் காரணமாக பள்ளி மற்றும் கல்லூரி மாணவர்கள் மத்தியில் கணிதம் விருப்பப் பாடமாக இருந்தது இல்லை. இந்தியாவில் கணிதம் பயிலும் மாணவர்களுக்கு மேலை நாடுகளில் உள்ள நிறுவனங்களில் வேலைவாய்ப்புகள் அதிகளவில் உள்ளன. மாணவர்கள் கணிதத்தை இளநிலைக் கல்வியோடு நிறுத்தாமல், ஆராய்ச்சிப் படிப்புகள் மேற்கொள்ள வேண்டும். இந்தியாவில் கடந்த 10 ஆண்டு

களில் விரல்விட்டு எண்ணக்கூடிய அளவில் மட்டுமே கணிதம் சார்ந்த ஆராய்ச்சிகள் மேற்கொள்ளப்பட்டுள்ளன. மற்ற அறிவியல் பாடங்களோடு ஒப்பிடுகையில் இது மிகவும் குறைவான எண்ணிக்கை. கல்லூரிகளும் பல்கலைக்கழகங்களும் மாணவர்களை கணிதத்தில் ஆராய்ச்சி மேற்கொள்ள உணக்கப்படுத்த வேண்டும். உயர்கணிதத்திற்கான தேசிய வாரியம், கல்லூரி மாணவர்களுக்கான கணிதப் பயிற்சி மற்றும் திறமைப் பகுப்பாய்வு திட்டத்தினை அறிமுகப்படுத்தியுள்ளது. இத்திட்டத்தினை அனைத்துக் கல்லூரிகளும் உபயோகப்படுத்த வேண்டும் என்றார். இதையடுத்து கல்லூரியின் கணிதத்துறை மாணவர்களுடன் கலந்துரையாடல் நடைபெற்றது. இதில் கல்லூரி முதல்வர் எஸ்.தனசேகரன், முன்னாள் பேராசிரியர் சுப்பையா தாஸ், கணிதத்துறைத் தலைவர் எம்.அழகப்பன் மற்றும் மாணவர்கள் கலந்துகொண்டனர்.

Certificate Distribution by the Chief Guest

In his special address, Project Director of India-based Neutrino Observatory Naba K. Mondal said that several experiments on fundamental sciences have led to the invention of newer technologies. The world wide web which has revolutionised communication system was developed only for collaboration among scientists from across the globe, he also said.

A total of 214 students from the districts of Madurai, Theni, Sivaganga, Ramanathapuram, and Dindigul were taking part in the camp sponsored by the Department of Science and Technology at Yadava College.

Students who have scored above 470 in their board exams were only allowed to attend the camp.

Bird watch and tree walk

Besides lectures on varied topics like research in physical science, advances in geology and remote sensing, chemistry in daily life, nano technology by eminent scientists, the students would have the opportunity of visiting the India-based Neutrino Observatory site. They will also experience bird watch and tree walk.

Daniel Chellappa, senior scientist, Department of Atomic Energy, Chennai, Principal (in-charge) of Yadava College S. Dhanasekaran, were among those who addressed the children.

UGC – INFLIBNET E-Resources

Our college library is getting access to e-resources through programme entitled “National Library and Information Service infrastructure for Scholarly Content (N-LIST)” funded by the Ministry of Human Resource Development under its National Mission on Education through ICT. The N-LIST project provides access to e-resources to students, researchers and faculty from college and other beneficiary institutions through serve(s) installed at the INFLIBNET centre. This programme would provide access to

more than, 3,717 e-journals (including current issues with 5-10 years back files) and 74,138 e-books. The resources would be accessible from <http://nlist.inflibnet.ac.in>.

The list of e-journals follows: American Institute of Physics (18 titles) , American Physical Society (10 titles) , Annual Reviews (33 titles), Cambridge University Press (224 titles), Economic and Political Weekly (EPW) (1 title), Indian Journal (150 titles), Institute of Physics (46 titles) , Oxford University Press (206 titles), Royal Society of Chemistry (29 titles), H.W.Wilson (1420 titles) E-Bray (45000+ titles), Oxford Scholarship (902 titles), Net Library (936 titles), Mylibrary –McGraw Hill (1308 titles), Bibliographic Database: Mathscinet, E-Resources for Universites: Web of Science, E-Resources for Technical Institutions (IITs, IISc, IISERs and Nits): Annual Reviews, Project Muse, Nature.

22. New books/journals subscribed and their value:

105 books purchased under the special fees

23. Courses in which student assessment of teachers is introduced and the action taken on student feedback:

Feedback Analysis 2015 – 2016

Feedback is obtained at the end of every academic year from the students of all major departments to evaluate the performance of a teacher inclusive of their rendering in knowledge-based, commitment-oriented, ability to integrate of courses with the society and other skills.

A questionnaire of 4 point scale for 10 attributes of a teacher is prepared and given to assess the quality of the teacher:

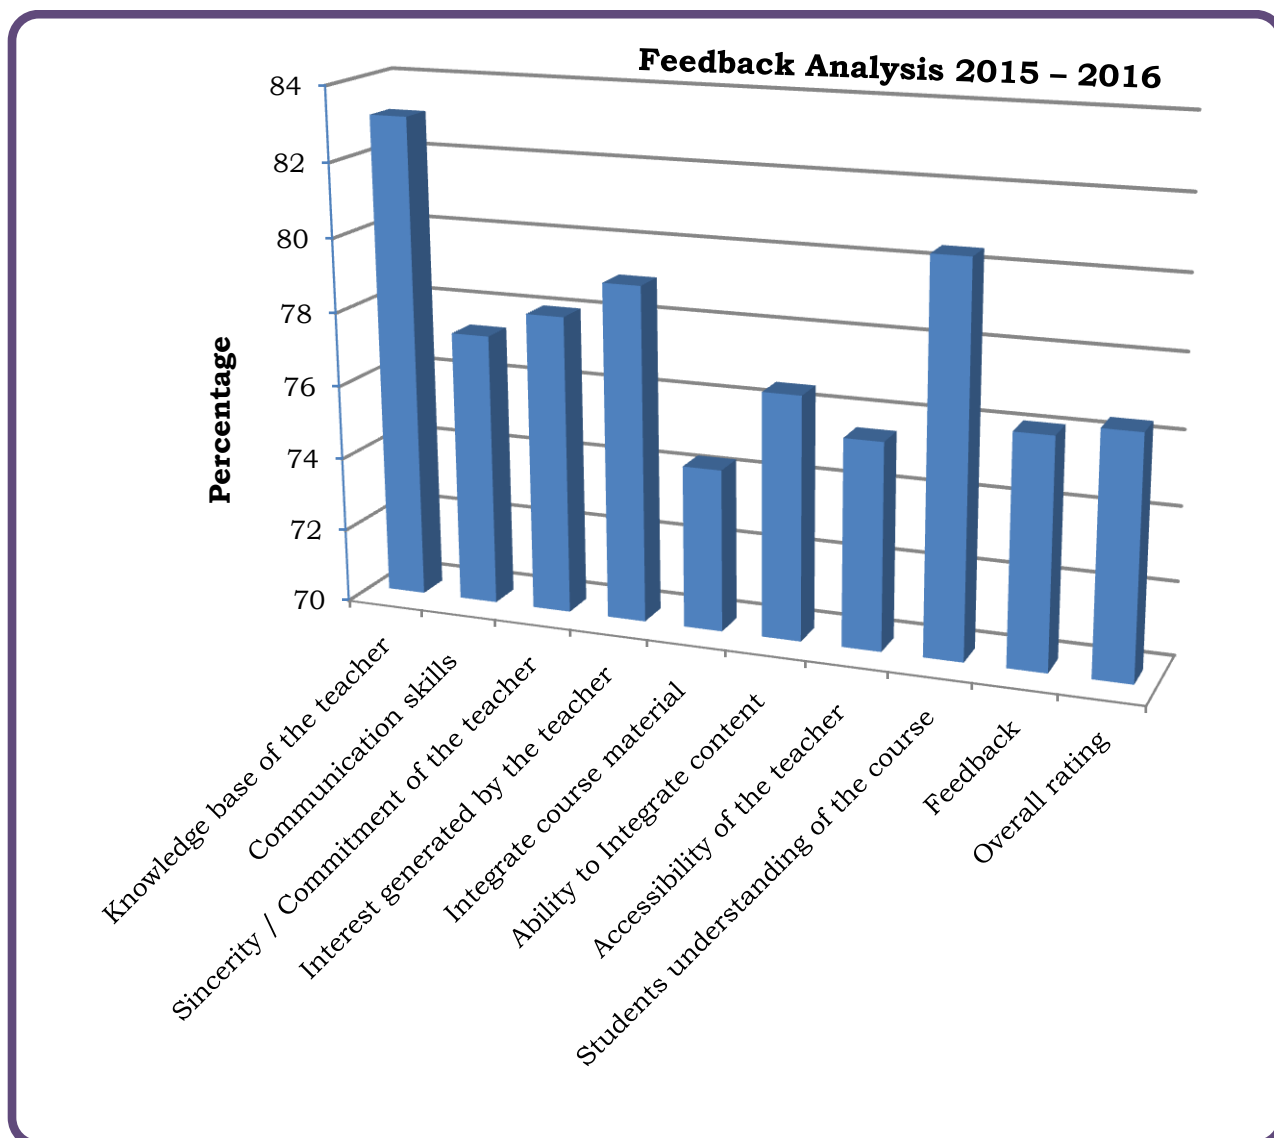

4	3	2	1
Very Good	Good	Satisfactory	Unsatisfactory

Score in % on the attributes

S. No.	Attributes	%
1	Knowledge base of the teacher (as perceived by the student)	83.1
2	Communication skills (in terms of articulation and comprehensibility)	77.4
3	Sincerity / Commitment of the teacher	78.1
4	Interest generated by the teacher	79.1
5	Ability to integrate course material with environment / other issues, to provide a broader perspective	74.4
6	Ability to integrate content with other courses	76.6
7	Accessibility of the teacher in and out of the class (includes availability of the teacher to motivate further study and discussion outside class)	75.6
8	Ability to design quizzes / Tests / Assignments / Examinations and projects to evaluate students understanding of the course	80.5
9	Provision of sufficient time for feedback	76.2
10	Overall rating	76.5

The following graph represents the average score attributed to the criterion mentioned:

Analysis of the feedback on teachers of every department has been made and necessary measures are taken as suggested by the students. It is noteworthy to mention over 80% is awarded for the knowledge, accessibility of the teacher to guide the students out of the class framework and the ability to evaluate the understanding of the subject by the students. Other criteria such as Communication skills, Sincerity and commitment, ability to integrate course material with other courses as well as environment, are awarded with 75%. Students are of the opinion that more attention is to be paid to generate interest on the subject. The average score is 78.5.

24. Feedback from Stakeholders:

Feedback Analysis 2015 – 2016

Parents play the major supportive role in the wholesome development of our college. With continued support they contribute to the welfare of the college. Their suggestions are wholeheartedly implemented for improvement. Feedback on the performance of the Principal and teachers, infrastructure facilities of the college, on the moral values inculcated through curriculum and on other programmes is acquired from them during the Parent-Teacher Meet from all the departments and analyzed.

The following criteria have to be ranged as Very Good, Good, Average and Poor and the overall functioning of the college are found to be up to the satisfaction of their expectation:

S. No	Item	Average Range
1	The Principal and the Staff are very accommodative	Good
2	The teachers motivate my son / daughter for better performance	Good

26. Computerization of administration and the process of admissions and examinations results, issue of certificates:

- The administration of Yadava College is done in a modernized manner. The office is completely automated and each office staff is provided with computer. This helps in the speedy completion of office work. The office is linked with other sections and all the departments through intercoms.
- Admissions are done in a systematic way. As soon as results are declared, application forms with prospectus are issued to aspiring candidates. The selection is done through standardized process keeping in mind the presence of the college amidst rural atmosphere and the socially and economically backward and deprived people.
- The Examination section as usual functions with highly automated atmosphere. Students are enrolled with a digital code informing year of study, class, number of semesters etc. The minute detail of each and every student in his academic excellence is fed into the computer system of the exam section and hence the details of any student can be retrieved at given moment. The Marks of internal evaluation are being entered through intranet which is available in each department against each student and the marks of External evaluation are being entered against each student and so the variation of marks obtained by the students could be easily derived through this method. Categorization of high, medium and low achievers is being done in each class. Remedial measures are given to low achievers to upgrade their mark in their weak subjects. This approach has yielded good result during 2015-16.
- The exam fees for all students in each class have been illustrated in the program and so the students find it easier to pay the fees in office without failure. The exam section has handled both autonomous and university regulated programmes

excellently. Because of the perfection in the administration, no confusion has occurred in dealing with the different streams of student community.

- The examiners panels of the autonomous stream are drawn on the basis of seniority and expertise in the respective subject. Both internal and external valuations are being practiced to evaluate effectively. As evaluation is the vital part of any academic activity, the office has not spared it and good attempt is made to practice it for the welfare of the students.
- The date of publication of results was fixed well in advance and results were released on that day through college web page. Degree certificates are being issued in person.
- The examination section is provided with high end computers, fax, copiers and printers. This office is a role model for college examination activities for other colleges. Many public examinations such as Civil Service Exam, Public Service Commission Exam, other entrance exams are conducted in our college and the examination section does all the spade work.
