Report on Training-cum-Workshop on Food Safety Training and Certification (FoSTaC)

Date: 15.07.2026

The Department of Microbiology, Yadava College, Madurai, successfully organized a **Training-cum-Workshop on Food Safety Training and Certification (FoSTaC)** on 15 July 2026 at the Microbiology Laboratory. The programme aimed to create awareness among students about food safety regulations, hygienic food handling practices, and the importance of Food Safety and Standards Authority of India (FSSAI) certification in the food and hospitality sectors.

The programme commenced with a prayer song, followed by the welcome address delivered by **Ms. B. Meenakshi, III B.Sc. Microbiology**. The workshop was inaugurated by **Thiru K.P.S. Kannan, Chairman, Hotel Park Plaza, Madurai & Chennai**, who highlighted the growing need for trained professionals in ensuring food quality and consumer safety.

The event was presided over by **Dr. C. Raju, Principal, Yadava College**, who emphasized the importance of food safety education and encouraged students to develop professional skills relevant to the food industry. The programme was graced by **Thiru S. Jeyaraman, President, Thiru R.V.N. Kannan, Secretary, Yadava College**, and **Dr. A. Rajagopal, Director of Self-Financing Courses**.

The Chief Guest was introduced by **Dr. K. Sendesh Kannan, Assistant Professor, Department of Microbiology**. The keynote session was delivered by **Mr. P. Sathish Kumar, M.Sc., B.Ed., FoSTaC Trainer, Lazersoft Technologies, Madurai**, who explained the principles of food safety, FSSAI regulations, Good Manufacturing Practices (GMP), Good Hygiene Practices (GHP), food contamination, hazard control, and legal requirements for food business operators.

This was followed by an interactive technical session by **Ms. D. Sri Nandhini, M.Sc., Technical Coordinator, Kumaran Educational Foundation, Madurai**, who elaborated on food safety management systems, hygiene protocols, documentation, and certification procedures through practical examples and discussions.

The workshop witnessed active participation from students and faculty members. The sessions were highly informative and interactive, providing participants with valuable knowledge on food safety standards, certification processes, and career opportunities in the food and hospitality industries.

The event concluded with the **Vote of Thanks** proposed by **Ms. K. Priyadharshini, III B.Sc. Microbiology**, expressing gratitude to the management, chief guest, resource persons, faculty members, and participants for making the programme a grand success. The programme ended with the National Anthem. Overall, the FoSTaC Training-cum-Workshop was a well-organized academic event that enriched participants' understanding of food safety and reinforced the importance of adopting safe food handling practices and professional certification in the modern food industry.
